

# Floreat Park Primary School Newsletter

## *Courtesy, Consideration, Cooperation*

### Term 1, 2021

#### **A message from the Principal**

Dear Parents and Caregivers

In spite of a false start and a shorter than usual term, we have managed to pack a lot in!

I hope you enjoy this newsletter documenting some important milestones in our students' journey through Term 1 2021.

Have a wonderful break and we look forward to welcoming students **back on Monday 19 April**.

Kind regards,

Jane Rowlands

#### ***Upcoming Events for Term 2, 2021***

**Anzac Day Service**  
Friday 23 April

**Year 6 Camp**  
28-30 April

**NAPLAN**  
11-21 May

**School Photos**  
17-21 May

**WA Day Public  
Holiday**  
7 June

**School  
Development Day  
(No Students)**  
8 June

**Cross Country  
Carnival**  
23 June

#### **In this issue:**

- 70<sup>th</sup> Anniversary
- Harmony Day
- Faction Swimming Carnival
- Interschool Swimming Carnival
- Leading Learning with Technologies
- Sustainability
- Student Services
- Farewell
- Story Dogs
- Community Events and Programs

#### **New uniforms have arrived!**

As part of our school logo refreshment, the new polo shirts have arrived.

All enquiries can be directed to the uniform shop

[uniforms@fppspc.com.au](mailto:uniforms@fppspc.com.au)

or ordered online through the Qkr! app.

# 70<sup>th</sup> Anniversary Celebrations

To coincide with Harmony Day, Floreat Park Primary School celebrated its 70<sup>th</sup> Anniversary with over 80 students from the 1950's in attendance.

Invitees were treated to a school tour and were able to share stories of their early years at Floreat Park Primary with the students.

First day of school 1951

Some of our original Alumni

*To the teaching staff, and all concerned at the Floreat Primary School, I would to thank you all, for organising such a fantastic, and informative school reunion.*

*And yes, we did share many recollections of the school, our classmates, and our times at the school. Whilst the demographics may have changed a little, we hope the Floreat Primary School marches on for many years to come.*

*I can say, from all of the guests that I spoke to, they were very grateful for the effort that went in to this, not to mention the wonderful morning tea. !!*

*Kind Regards,*

*Reg Statham. (former student 1950's)*

# Harmony Day

A survey was conducted in regards to languages spoken other than English by some of our students. Results are as follows:

Mandarin	37
Italian	17
French	9
Cantonese	8
Polish	6
Spanish	5
Dutch	5
German	5
Afrikaans	5
Hindi	5
Russian	4
Japanese	4
Gaelic	3
Indonesian	3
Malay	3

## 2021 Swimming Carnival Championship Results

### Year 4 Girls

Champion: Sophia Zani

Runner Up: Isabelle O'Shea

### Year 4 Boys

Champion: Tate Wong

Runner Up: Jasper Rimmer

### Year 5 Girls

Champion: Lea Barbi

Runner Up: Georgette Rodic

### Year 5 Boys

Champion: Quinn Paulsen

Runner Up: Cameron Reid

### Year 6 Girls

Champion: Laila Valibhoy

Runner Up: Briar Froud

### Year 6 Boys

Champion: Campbell McDowell

Runner Up: Nicholas Eley

## Faction Results

**1<sup>st</sup> Perry 558**

**2<sup>nd</sup> Beecroft 505**

**3<sup>rd</sup> Reabold 459**

**4<sup>th</sup> Chandler 440**

Congratulations to our champions and to all of our wonderful competitors for the amazing sportsmanship shown throughout the day.

Results of the most important race of the day "teachers v students" were tight. Mr Heyting just missed out on the gold medal.

Well done to the students' team.

Congratulations and well done to our Interschool Swimming team. It was a great day with everyone putting in a fantastic effort.

Carine PS came in first, Subiaco second, Floreat Park third and Wembley fourth.

Congratulations to Laila Valibhoy and Sophia Zani who were Runner Up Champion girls in their year level. It was a very close and exciting competition.

Well done to the Floreat team.

## MELSKI MCVEE MURAL AT THE FLOREAT FORUM

Have you seen the beautiful Splendid Blue Fairy Wrens brightening up the Floreat Forum? They are part of an eye catching mural that was recently designed and painted by artist, Melski McVee, and assisted by Floreat Park PS Year 5 students.

Melski McVee used the local bushland reserve (Bold Park) as inspiration for her design. As part of Floreat Park PS Artist in Residence Program, and in partnership with the Floreat Forum, last year's year four students took part in art workshops with Melski. Painting the mural was the culmination of the workshops (rescheduled to 2021 due to Covid).

During week one this term, our students spent the day painting the mural alongside Melski. They worked in groups, having the opportunity to display their painting skills when adding colour to Melski's design. The students were thrilled to be part of this community project and thoroughly enjoyed the experience. They will have such lovely memories and be able to appreciate the beauty they helped to create for years to come.

## Art News

## Enhancing the Teaching of Aboriginal Languages with Keynote

Matthew Wright, Michaela Snow & Dylan Gollard - March 2021

In recognition of the great learning and teaching happening at Floreat Park PS, some of our staff were invited to present to Aboriginal Language Teachers in March. Mikayla and Matthew shared their knowledge in how technology can be used to enhance learning and teaching in the classrooms. They also shared some cutting edge teaching examples of things that are currently happening in the classrooms at Floreat Park Primary School.

### Future Technology at Floreat Update

The vision of the Future Technology at Floreat Committee is for all students to become confident, future oriented learners, equipped with the skills and knowledge to successfully navigate their digital future. We have been continuing to plan this term for the increase to 1:1 device ratios in the middle and upper years from 2022 so that students have frictionless, equitable access to technologies that support their learning in line with the Western Australian Curriculum.

In these photos, the committee are learning about how we currently use technology to enhance learning and higher order thinking skills across the curriculum.

The current work of the Committee is around selecting the best device best device to meet student curriculum requirements and teacher needs. We will be presenting our device recommendation to the School Board in Term 2. From then on we will be planning and communicating with you about how the program will operate.

Feedback from the parent survey was extremely useful. We have already held two cyber safety workshops this term, supported by the P&C. Early next term we will be holding parent workshops where you can get hands on experience of how we use technology in school and understand what a 'day in the life' of your child is like in terms of using learning technology. Look out for the Connect notice in Week 1 as places will be limited!

The Year 6 Sustainability Team of Amelie, Imogen, Michael, Olive, Olivia and Theviru have been working closely with the P&C to collect plastic containers to drop off at Containers for Change. They have organised 3 bins around the school to collect Chill J bottles and milk and juice boxes. Ten cents from every containers goes directly back to our school.

If you would like to help at home, [here](#) is a video for more information. The school code is C10337940. We are currently running a school challenge, to collect 700 bottles so that we can all get a longer lunch time!

School code  
C10337940

# SUSTAINABILITY NEWS

## News from Student Services

Hi everyone out there in Floreat Park Primary School Community.

Thank you for welcoming me back again for 2021 as your School Chaplain. Such a privilege and honour. Exciting things happening in Student Services this year as we grow as a team and department.

Wow what a start to the 2021 year. Extra week of holidays for some. I see an exciting year we have ahead. Already celebrated having our swimming carnival and interschool swim meet. (yet to be decided as I am writing this before the event). Go Floreat. Mr Cohen, what an amazing 70th Anniversary blended with Harmony Day this term. Two wonderful events culminating into a huge day of celebrations for Floreat. Mucky Duck Band, you are legends. All day in the heat we had, what troopers.

I would like to wish everyone safe and enjoyable holiday break.  
Chaplain Sue

## Addio e grazie 🇮🇹 🇮🇹

It is time to pack away the three hundred ties. Forty-six years in education is enough and it is time to give back to my wife.

Ironically my father was a business man/company director. After I completed my economics degree, he expected me to follow him into the corporate world. I saw how little time was left for the family. In fact, the only real time I had with him was Saturday afternoons when we cheered on our beloved East Perth football team.

I chose teaching as a career. My son saw how much time went into lesson preparation so he chose the corporate world where he is a business consultant. I wonder what my granddaughter will become!!

Coming to Floreat Park Primary School sixteen years ago was like a homecoming for me. I was raised in City Beach and now live in Wembley Downs. So I am almost a local.

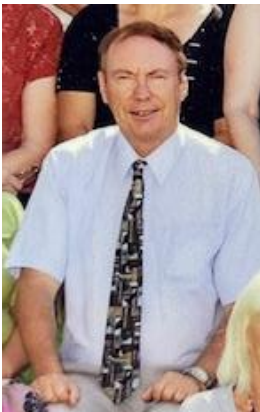

It has been a privilege for me to see this school develop from a very good school to an outstanding school, improving every year.

Over this period of time my memory capacity has been stretched to the limit as all the names of the wonderful parents, children and staff load my mental data base. As I work for the Australian Electoral Commission on polling day at the kindy I delight into reconnecting with former students and parents even if more often than not I address them by the name of a sibling.

What has sustained me and what I take from my years at FPPS have been the many acts of kindness displayed by children, parents and teachers.

For this I thank you.

The  
many ties  
of Mr  
Cohen

## Story Dogs at Floreat Park

A new canine companion and his Mum Polly have joined our school! Zell the whippet and Polly volunteer their time once a week through Story Dogs Australia, a nationwide initiative aimed at improving literacy outcomes in younger children. Selected Year 2 students are given the opportunity to read one-to-one to Zell outside of their classroom once a week. In addition, one or two students from other years are chosen by their teacher weekly to spend ten minutes of reward time with Polly and Zell.

Zell is an avid listener and provides students with a safe, judgement-free space in which to practice their reading. The feedback from our readers has been positive, with one student reporting they 'like reading more now', and another expressing pride that they are 'reading bigger books now'. It was 'a bit weird at first' for another reader but they now 'love reading to Zell, as he is the only dog that listens to me!' By reading to Zell and Polly, these children are able to grow their confidence in reading and in themselves.

## Community Events and Programs

Further information on Community Events and Activities can be found on our school website or by clicking the below link:

<https://www.floreatparkps.wa.edu.au/parents-community/community-noticeboard/>

### Bush Inventors' Club

Bush Inventors' Club is a space where primary aged children can experiment, create and play with natural resources in a fun after school activity.

Nature Educators and Nature Playworkers lead the clubs. They are passionate about allowing freedom of play. Opportunities are provided to learn new skills such as carpentry, knot tying and fire management, as well as playing nature connection games.

Term two focuses on lighting curiosity using fire. Students learn how to build, light and tend fire in a safe and supported environment with campfire cooking.

### Fire!

Term 2, 2021  
Mondays

Wembley  
3:30pm - 5:30pm  
8 week series  
starting 3rd of May  
Bold Park Community School

Dear Parents, Family and Friends,

Our school is part of the Story Dogs Program, a national reading and literacy support Program.

### But we need your help!

Do you have a calm dog and a passion for helping students with reading skills?

Volunteers and their pet dogs are needed to read with Year 2 students to help overcome reading difficulties.

### The Story Dogs Mission

'To make reading fun for children, so they become confident lifelong readers.  
No child should be left behind in literacy.'

### The Program

When children read to a dog, the outcomes are amazing! It's non-judgmental, children's focus improves, literacy skills increase and confidence soars. The non-judgmental, loving nature of dogs gives this program its magic and helps children relax, open up, try harder and have fun reading to a friendly and calm dog.

Reading sessions take place in a quiet area of the school grounds, such as the library or outside the classroom. A reading session is approximately 20 minutes long, where each child is one-on-one with the dog team.

Story Dogs handlers are volunteers trained to encourage emergent readers. This ensures the handler will not judge the child and will help in a non-threatening way.

The children are usually Year 2 students who are chosen by the school's teachers. Parental consent is required before a child can participate in the program. Volunteers will read with 4 or 5 regular students each week.

### Story Dogs Facts

Story Dog Teams help over 2500 children each week with Dog Teams visiting over 300 schools in NSW, QLD, VIC, TAS, SA and WA.

### Is this you?

If you are able to volunteer a couple of hours a week, are enthusiastic about literacy and helping children and have a great relationship with your calm dog, please have a look at the website [www.storydogs.org.au](http://www.storydogs.org.au), read the criteria at [www.storydogs.org.au/volunteer](http://www.storydogs.org.au/volunteer) and contact Anne for more information.

## LACROSSE 101 – Floreat Park Primary

Are you looking for a physical sport where you can run, throw, catch & score? Does your son or daughter want to play the fastest sport on two feet? If so, then lacrosse is THE sport for YOU! We promise high scoring, up and down, fast paced action.

Matt Ogelsby - Warwick who played at Duke University and professionally in the USA is one of the ModCrosse coaches at Wembley Lacrosse Club. Matt's kids, **Jet** (Year 2) & **Charley Joy** (Pre-Primary), are in the program along with many of their City Beach Primary friends and are looking to recruit more teammates from our area to join in the fun. The goal of the Wembley coaching staff is to share their love of the sport, put the "fun" in learning the **FUNDamentals** of the game and reinforce the importance of life skills like showing **(RAE) Respect** (manners), having a positive **Attitude** and giving **100% Effort** in all life's pursuits.

We invite you to join us for Wembley Lacrosse Club's upcoming 2021 Winter Season. If you are unsure about making the commitment before you register there is a **Come Try Day on Sunday, March 21<sup>st</sup> from 1-3pm**. You can also come to the first practice and give it a go on **Thursday, April 22<sup>nd</sup> at 4.45pm**. If you chose the latter, please email [mattow15@inet.net.au](mailto:mattow15@inet.net.au) so we know you are coming and can plan accordingly.

**WEMBLEY LACROSSE CLUB**  
Celebrating 75+ years "Come and be part of the action"

**PLAYERS:** **Boys & Girls**  
Years 1-4 play **ModCrosse** (mixed gender) - lacrosse w/ no equipment, just sticks.  
Years 5 & above (separate genders) - Girls (no equipment), Boys (helmet, gloves & pads)  
**Free stick and ball for any new players that register!!**

**LOCATION:** Floreat Oval, Floreat  
**STARTS:** Thursday, April 22nd  
**PRACTICES:** Thursdays 4.45-6pm  
**GAMES:** Saturdays 9-10am  
**PRICE:** \$175

If you would like to participate, please spread the word & [REGISTER HERE](#)  
We hope to see you on the lax field this winter...

If you have any further questions email [mattow15@inet.net.au](mailto:mattow15@inet.net.au) Club Contact: Amanda Plummer 0404 835 699

### UWA FENCING CLUB

**WELCOMING NEW MEMBERS**

The University of Western Australia Fencing Club invites juniors of all ages to try the sport of fencing.

Fencing is an exciting, safe, modern, and fast paced sport practiced world-wide by people of all ages and genders. Fencing helps participants develop:

- Fitness;
- Stamina;
- Strength;
- Decency;
- Balance;
- Reflexes;
- Hand-eye-foot coordination;
- Tactical and strategic thinking skills;

UWA Fencing Club provides a safe and inclusive environment and welcomes all members of the community including wheelchair participants, whatever your age, fitness or ability.

We train at UWA Claremont Campus Gymnasium (International Martial Arts Centre) Goldworthy Road after Princess Road, Claremont.

New classes begin on Saturday 24 April 10am to 11am, and Tuesday 27 April from 5pm to 6pm. The first session is free for beginners to have a go.

Please contact Ben  
[president@uwa-fencing.org](mailto:president@uwa-fencing.org)  
ph: 0413 426 595

for any further questions and to confirm attendance

### West Coast Junior Football Club welcomes you!

Register for Season 2021 @ <https://westcoastjfc.com/> for Auskick (PP to Yr2) and Junior teams from Year 3

AUSKICK on Sundays 8.30am-9.30am
