Term 2, 2021

Principals Welcome

Dear Parents and Caregivers

Congratulations to everyone for surviving our 11 week term with only a few last minute challenges. Hopefully we will be entering the holidays mask free and welcoming students back on Monday 19th July.

Have a happy and safe holiday period and please enjoy our latest newsletter in our new format.

Regards

Respect Badge Recipients Semester Two

The Respect Award is based on student demonstration of the characteristics of our school motto; *courtesy, consideration and cooperation*, and the value of *respect*. The Award recognises those students who show consistent regard for others and the environment, who are attentive, polite and thoughtful when interacting with staff and peers, and who engage with purpose and intent in all aspects of school life.

The Respect Badge is the highest award a student can receive in recognition of attitude and behaviour at our school. Recipients can be very proud of the acknowledgement and are encouraged to wear their Badge each day to reflect their positive contribution to our school community and to inspire others.

We would like to congratulate the following students for attaining their Respect Award for semester 2, 2021.

Global Goals

We are the GOALKEEPERS!

Floreat Park Primary School is a champion of the Global Goals.

What are the Global Goals?

On the 25th of September, 2015, 193 world leaders, expressed their commitments to achieving the United Nations Sustainable Development Goals (SDGs), with three objectives: to end poverty, fight inequality, and tackle climate change, by the year 2030.

The Sustainable Development Goals comprise 17 goals, ranging from the eradication of poverty and hunger, to encouraging sustainable consumption and environment conservation.

By developing people, protecting the planet, fostering peace, ensuring prosperity, and engaging in collaborative partnerships, the Goals take a comprehensive view of the complexities of our global challenges, and provide an optimistic framework to build a future that is inclusive, equitable, and sustainable, for all people.

As a school we are playing our part by becoming Goal-keepers, in advocating, implementing and championing the Goals! Our focus is on introducing our students, and our school community, to the Global Goals, engaging our students in taking action and building broader perspective about the state of the World.

The integration of the Global Goals with our inquiry approach, provides deeper purpose to learning. We are excited about engaging students in understanding the Global Goals, and unlocking all the benefits that this brings with it.

NAIDOC Celebrations

Unfortunately due to last minute Covid restrictions, our Flag Raising Ceremony and Aboriginal Smoking Ceremony have been postponed until next term, however our amazing new flags are now flying high at the front of the school.

Some of our classrooms were treated to an Aboriginal Cultural Incursion earlier in the term with photos for your enjoyment.

NAIDOC week in Year 1 - Bush Tucker!

We have been exploring various native Bush Tucker plants. We have learnt some of the traditional ways in which these bush tucker plants were used and how to care for them.

Semester 2 Student Councillors

2 - Congratulations to our Semester 2 councillors - Tim, Brooklyn, Michael, Briar, Olive and Sophie.

BEBRAS award winners

3 - Students in years 6, 5, 4 and Y3G and Y3E will be participated in the Bebras Australia Computational Thinking Challenge 2021 this term as part of the STEM program. It is an activity that promotes computational thinking and problem solving skills. The challenge is an important part of the curriculum and results will be used to assist the school to assess student achievement.

Well done to our Bebras award winners and to everyone who completed the Bebras challenge.

Faction Cross Country Carnival

This year was our first Faction Cross Country Carnival with everyone from Pre-primary to Year 6 competing. It was a wonderful day with all students trying their very best. Well done and congratulations to all students.

Interschool Cross Country Carnival

Congratulations to our Interschool Cross Country team who competed on the 23rd June at City Beach Oval. It was a beautiful sunny day and everyone was excited. Everyone ran extremely well with a

number of our students coming in the first 20 runners. Congratulations and well done to all students who competed. Everyone did their very best and should be proud of their efforts.

Special congratulations go to our medal winners - those students who placed in the top 4 runners.

CONGRAULATIONS TO OUR FLOREAT ARTISTS!

CITY OF SUBIACO SHAUN TAN ART AWARDS 2021

Earlier this term, artworks created by 5 students from Floreat Park Primary School were entered into the City of Subiaco Shaun Tan Art Awards. There were over 1100 entries this year from around the state, and the judges have now selected the top 10 in each category to be part of the exhibition in the Subiaco Library.

We are thrilled to announce the artworks entered by all 5 of the Floreat students have been shortlisted into the final top 10 in their categories. These artworks will be displayed at Subiaco Library from 13 July to 8 August as part of the 2021 Shaun Tan Award for Young Artists Exhibition. A HUGE CONGRATULATIONS to the following 5 talented Floreat students -

Year 1: Elijah McLean (Lower Primary Category)

Year 1: Lachlan Bertram (Lower Primary Category)

Year 2: Lachlan Lamborn (Lower Primary Category)

Year 2: Georgia Darby (Lower Primary Category)

Year 3: Leo Haselhurst (Middle Primary Category)

In addition, another wonderful achievement – A VERY SPECIAL CONGRATULATIONS goes to Lachlan Lamborn. Lachlan's artwork, "Fuzzy", has been selected as a finalist in this year's awards – this means he will place either 1st, 2nd or 3rd in the lower primary category! The awards ceremony will be held in late July when the winners will be announced.

5 - Ela recently won a local art competition run by real estate agents Edison McGrath.

Inspiration was taken from native flowers after a recent visit to Kings Park and the abundance of flowers - particularly banksias around her home, to create the prize winning art work.

Ela's art has now been converted into sold and rented stickers to be used by Edison McGrath and she took home the \$200 prize for her efforts.

Congratulations and well done Ela.

SAVE THE DATE

ONE **BIG** VOICE **21**

EVENING

Dear Parent/Guardian

Our school choir is participating in the OneBigVoice Festival, held at RAC Arena on Friday, August 20, 2021, commencing at 6.15 p.m. with Young Talent, followed by the OneBigVoice Choir at 6.45 p.m.

Parents, carers, grandparents and friends are invited to attend this festival.

Please save the date in your calendar; you won't want to miss out on this amazing event. We will notify you when tickets go on sale.

Sustainability News

This term we have been actively looking for ways to make our school more sustainable. We started a school-wide faction competition to encourage more recycling of plastic bottles. The return of Package-Free Friday was also very successful, with over 90% of our school being package free. We hope Room 19 liked our upcycled trophy.

The winner of the faction competition will be announced before the Faction Athletics Carnival next term. Look out for more initiatives soon!

Floreat Dads - Night Out With Gilly

The event was a success with 102 tickets sold (a sellout) and a great crowd of dads turning out on the night. Pleasingly there was a strong contingent of dads across all year groups.

Gilly gave us some great insights into his fathering journey. The key message the dads picked up came from the advice of Gilly's received from his own dad, which he applied to cricket and then fathering, which was to just be there and focus on the moment. He was also a genuine humble guy and made it clear he felt he was no more qualified as a dad than any of us and was still learning himself but was happy to share his experiences.

We also heard plenty of cricket stories thrown into the mix including a few on Warnie we are sworn will not leave the room ☺ A good Q&A from the dads also ranging across both fathering and cricket.

Lots of dads hung around afterwards talking fathering and getting to know each other.

I picked up two volunteers to join the organising group/committee and help out on future events which was a great win also.

The financial result is a \$902 profit (to help cover the Fathering Project fees ☺).

Special thanks to the Wembley Hotel who donated the venue hire and of course Gilly who donated his time free of charge (we thanked him with a nice bottle of vino to take home). Also to Floreat parents Andrew Scanlan, Michael Yow, Ron Hayward, Darren McFarlane, Andrew Angel and Claire Yow who all helped out in different ways.

Looking forward to our planned term 3 event which will be a dads and kids activity.

Thank you for your support also.

Kinds regards

Student Council Fundraiser

On the 18th June , the FPPS council hosted a fundraiser for the Heart Foundation - Jump Rope For Heart. Floreat raised a total of \$580 which will be donated to the foundation. Guest speakers were invited to our school motivating us to exercise and to talk about the heart. Students at FPPS got to compete in a skipping contest and a few students were selected to demonstrate their tricks at our assembly. We then engaged with the students by giving everyone a chance to skip. This fundraiser was not only enjoyable but healthy for our hearts.
