

Mark Parker

“I have 4 children attending Floreat Park primary school. I am an old boy of Floreat Park Primary school having attended from 1971-1977. I am a Consultant Paediatrician working locally with a vested interest in the care of our children. The majority of my work is in Neurodevelopment and Behavioural Paediatrics I can offer expertise in these areas. I run my own business employing educational Psychologists and have experience in business management. I feel that I would have a lot to offer the board as a parent representative.”
