

# FPPS –PLAYSPACE PHASE 1 SCENARIO

PHASE 1 – term 4, 2017

1. Is an extension of the existing playground site
2. Uses sand as soft fall
3. Has a 1c limestone retaining wall as per existing playground
4. Incorporates as many outcomes from the survey as possible
5. Is an off the rack item from a major supplier (such as FORPARK or PLAYMASTER)

# FPPS –PLAYSPACE PHASE 1, & 2

PHASE 2 – term 4 2017+

1. This area currently houses the raised garden beds.
2. Relocation of raised garden beds to N fence
3. P2 area is easily locked up / vandal proof
4. This area could be used during break time, as well as an extension of the library and as another outdoor class room / break-out space for special needs during teaching time.

# FPPS –PLAYSPACE PHASE 1, 2 & PHASE 3

## FUTURE PLAYSPACE – PHASE 3 –2018+

1. Is an adjacent unutilized area of the school, that is on a steep gradient
2. Uses the current landscape and existing trees as part of the design
3. Will be designed by a certified landscaping company
4. Incorporates a potential JV with the TOC
5. Uses evidence based research from our school survey to Design the space.
