

## Nomination for Parent Representative on the Floreat Park Primary School Board

Sarah Cox

With 4 daughters at the school currently in years 3, 4 and 5 I would love to contribute to the school by being elected onto the school board.

I have worked in both private and public sectors and am currently enjoying maternity leave with our 10 month old daughter. She will commence at Floreat in 2022.

I have qualifications in business, management and legal studies and I would really like make a difference and contribute to the school.
