

## Kindergarten to Year 2 Technology Contract – Acceptable Use Policy

**My child agrees to follow the rules set out below when using the technology devices at school:**

- I will seek permission before I use an iPad, computer or SmartBoard (device).
- I will not take the device out of its case.
- I will inform a teacher if I see something that makes me uncomfortable.
- I will not eat or drink when using my device.
- I will take care of all the equipment.
- My hands will be clean when I use my device.
- I will not change the device settings.
- I will not intentionally download or remove any apps or programs from the device.
- I will be responsible and use smart learning choices while using school devices.
- I will use the device as directed by the teacher.

**I understand that if I break the rules:**

- I may not be allowed to use the devices.
- It may result in disciplinary action determined by the school administration in accordance with the school's Behaviour Management Policy. This may include exclusion from the use of school technology devices.
